

# Victory & Praise Christian Athletics

## Football & Cheerleading

I understand that the registration payment and any money paid to Victory & Praise Christian Athletics are non-refundable. If I decide to leave the program, any cost of uniforms and equipment purchased for me by VPCA will still be owed by me.

I also understand that I will be required to make parent meetings held by VPCA in order for my child to play or cheer. There will be two meetings, one in the spring and one before the start of the season.

I understand that my spouse or I will be required to volunteer to help in at least one football game either here at home or away.

We are a family and need every one's help. Let's all get involved to make "2015" Victory & Praise Shark's greatest year ever.
